## **BRJP Highlights and Concerns:**

- 386 Boston residents have been reported. 352 (91%) have been successfully verified.
- The current payroll submission time is 5 days. Payrolls that are submitted on time help monitor the project in a timely manner.
- The Project will reach its 50% completion mark for hours worked mid-April 2018.
- Work Force Documentation forms have been received recently from the following sub-contractors: Hamel & McAlister, G&C Concrete, Worcester Air, E.M Duggan, Salvucci Masonry, Accord Steel, John A Penny, J. Derenzo, and Century Drywall.
- JMA notified The Cheviot they will need to attend weekly corrective action meetings in their office until efforts are improved.
- JMA held meetings with subcontractors to pass on information on and discuss Building Pathways Program, Operation Exit, and other ways to reach out to the local community.

## **RECOMMENDATIONS:**

- Invite business agents to upcoming pre-construction meetings to ensure sub-contractors are being pro-active in reaching employment standards prior to mobilizing on site.
- Continue to encourage subcontractors deficient in any category, to take steps to make improvements by providing information about pre-apprenticeship programs, such as Building Pathways and Youth Build.
- Please continue to make sure Boston Residents are verified prior to starting on site.
- Continue exceptional efforts providing documentation for best faith efforts and timely payroll submissions.
