Boston Employment Commission: Project Review

BRJP Highlights and Concerns:

Payroll submission is at 7 days. Payroll should be submitted within 7 business days after work week. Payrolls submitted on time help monitor the project in a timely manner.

The subcontractors that are delinquent in payrolls are: McDonald Electrical (12days), Limbach Co. (10days), Greenwood Industries (11 days), East Coast interiors (9 days), Carlyle Engineering Inc. (11 days), Axion Specialty Contracting (23 days), Kone Elevator Inc. (15 days), and Specialty Insulation Group, LLC (18 days). All subcontractors are now all reporting in a timely manner.

Boston Resident Verifications is at 91%. Continue excellent procedure set in place in collecting Boston Resident Verification forms in a timely manner.

Need best faith effort documentation from all subcontractors that are not compliant.

Corrective action meeting will be taking place first week of April regarding deficiencies in reaching employment standards. Appropriate business agents will be invited. The following subs will be invited: Bass Associates Inc., Beacon Waterproofing, Carlyle Engineering Inc., East Coast Interiors Co., Greenwood Industries., Patrick J. Kennedy & Sons, and Ricmor construction.

As a self-performing General Contractor, Lee Kennedy has not met the employment standard for Boston Residents (19%), and Female (0%). Improvements must be made in order to be "Driving the bus" for other subcontractors to follow.

RECOMMENDATIONS: The BRJP Office recommends:

Please submit verifications for all unverified Boston Residents.

Boston Residency (22%) and Female (4%) percentages need to improve for project to become a success.

Continue to encourage subcontractors deficient in any category, to take steps to make improvements by providing information about pre-apprenticeship programs, such as Building Pathways and Youth Build.

Connections between subcontractors and GC, deficient in payroll submission need to be addressed.

Submit weekly best faith efforts documentation to BRJP with written correspondence from union halls or a note stating what the response was from union hall if letter is not provided.
