### **Project Description:**

Cranshaw is currently constructing a new building and renovating one of the historic buildings to create mixed income housing. The 1.5 acre site is part of the 8.3 acre Brighton Marine campus and is **located at 1465 Commonwealth Avenue, Brighton, MA 02135**. The existing site included four, two-story buildings (buildings 3, 4, 6, and 7). Buildings 4 and 7 will be demolished, and Cranshaw will relocate Building 6 elsewhere on the Brighton Marine campus to accommodate the new six-story, 111,650 square-foot multi-family residential building.

The new L-shaped building will include a mix of studios, one, two, and three bedroom units. Building 3 will be renovated to include 1,450 square-feet of residential space and 1,110 square-feet of common amenity space. In all, there will be approximately 101 residential units (86 affordable) with preference given to veterans in keeping with Brighton Marine's mission. The project will also include a below grade parking garage with approximately 49 parking spaces as well as approximately 52 additional surface parking spaces and 101 spaces for bike storage.

### **BRJP Highlights and Concerns:**

- The projects overall Boston Resident and Female workforce percentages could use improvement.
- The projects overall average payroll submission time is currently at 9 days.
- 44 Boston residents have been reported so far. Only 24 of the 44 resident's have been verified to date.

### **RECOMMENDATIONS:**

- Subcontractors, who are currently mobilized on site, should be engaged about presenting a plan to maximize the remaining resident and female workforce hours.
- Certified payrolls need to be submitted within 7 business days so subcontractor's workforce can be monitored in a real time manner.
- Workers residency should be verified as soon as they arrive on site. A 90% Boston Resident verification rate is the standard.
