In order to renew your Health Permit, the following documents **MUST** be provided; in addition to the payment. A signed base of operations letter from the owner of the establishment for the New Year. If the facility is outside the City of Boston, it must be accompanied by the Health Permit of that facility for the New Year. A Hawkers and Peddlers license for the New Year. If it/ or any license or permit expires during the New Year, you are required to renew and forward that to the Health Division at ISD. If applicable, a Serve Safe Management certificate and Allergen certificate must also be submitted.

If you do not provide these documents, your Health permit will not be renewed.

Thank you for your cooperation with regards to this matter.

Daniel Prendergast
Assistant Commissioner, Health Division
